## 2009 NCLB Report Card

### State Level - Part III

*This page last updated January 12, 2010*

Part III of the NCLB Report Card at the state level would cover all districts and schools in the state. Since the resulting report would be too long to present in a single web page, the information can be obtained for a selected district. Using this page, you can view Part III of the NCLB Report Card for a district that you select from a list. You may qualify the list by district name or by district number.

To download Part III of the NCLB Report Card for a selected district, begin the process by selecting from the options below.

1. *Select school year.* [2008-2009 ]

2. Specify the selection method ( i.e. by district name or by district number ) and optional qualifier to produce a list of districts from which you can select.

(X)
